FORZAMOTORSPORT.NET

Visit [ForzaMotorsport.net](http://ForzaMotorsport.net) to become part of the thriving and diverse online community of *Forza Motorsport* fans from around the world. Whatever your interests—painting, tuning, buying and selling customized cars, viewing and sharing photos or videos, participating in community forums, or following the latest automotive news and behind-the-scenes features—[Forzamotorsport.net](http://Forzamotorsport.net) connects you with fellow fans and *Forza Motorsport* experts who share your enthusiasm. “Like” us on Facebook and follow us on Twitter to share your passion for cars with even more friends!

THE FORZA MOTORSPORT 4 IN-GAME MARKETPLACE

Extend your *Forza Motorsport* experience with the all-new in-game marketplace, which features exciting new downloadable content every month. You'll find VIP membership, new cars, all-new Car Tokens, and Season Passes. Check the game's Message Center for daily in-game credit rewards and marketplace alerts about new content so that you can stay on top of the most current DLC cars, tracks, and other exciting offers.

THE POWER OF KINECT

Using the power of Kinect™, *Forza Motorsport 4* brings you an entirely new car experience whether you're a casual player or a *Forza Motorsport* pro. With Kinect and Autovista™, step through the screen and explore the world's most exciting automobiles in stunning detail. Open the doors and lift the hood, check out the wheels and brakes, enter the cockpit and explore the interior, or take the car for a test drive—all without a controller. Use Kinect head tracking in conjunction with a controller or racing wheel to peer into corners simply by turning your head, whether you're standing or sitting. Use voice commands to quickly jump to game menu screens. Kinect delivers all the power and fun you've come to expect from *Forza Motorsport*... with or without a controller. For more information about Kinect, go to [www.xbox.com/support](http://www.xbox.com/support).

For information on playing Kinect safely, see the Healthy Gaming Guide at [www.xbox.com](http://www.xbox.com).

MAXIMIZE YOUR RACING EXPERIENCE

*Forza Motorsport 4* includes two discs:

- Disc 1 contains the game, Autovista experiences, over 250 career cars, and all standard tracks and environments.
- Disc 2 contains additional Autovista experiences and nearly 250 extra career cars.

While not required, it's recommended that you have a hard disk drive (HDD) for your Xbox 360® console. This enables you to install Disc 2 and gain access to the entire catalog of *Forza Motorsport* game content. You can install all of the content from Disc 2 onto your HDD or a USB storage device.

To install Disc 2:

1. Insert Disc 1, and on the Main menu, choose “Install Disc 2.”
2. When prompted, eject the Xbox 360 tray.
3. Remove Disc 1 and insert Disc 2.
4. Close the tray and wait for the disc to load.

If you choose not to install the contents of Disc 2 right away, you can always do so later by visiting the Main menu or the in-game marketplace.

GO FOR THE GOLD!

With an Xbox LIVE® Gold Membership, you gain access to a diverse suite of online multiplayer modes and other exclusive *Forza Motorsport 4* features and content, like Car Clubs. Xbox LIVE brings an unbeatable online entertainment experience right to your Xbox 360. Connect with friends, download and play games, and access a huge library of games and music in an instant. Whether you stick with a free Xbox LIVE Silver Membership or go for an Xbox LIVE Gold Membership, join Xbox LIVE today! To learn more, go to [www.xbox.com/live](http://www.xbox.com/live).

Connecting

Before you can use Xbox LIVE, connect your Xbox 360 console to a high-speed Internet connection and sign up to become an Xbox LIVE member. For more information about connecting, and to determine whether Xbox LIVE is available in your region, go to [www.xbox.com/live](http://www.xbox.com/live).

Family Settings

These easy and flexible tools enable parents and caregivers to decide which games young game players can access based on the content rating. Parents can restrict access to mature-rated content. Approve how and with whom your family interacts online using the Xbox LIVE service, and set time limits on how long they can play. For more information, go to [www.xbox.com/familysettings](http://www.xbox.com/familysettings).

**WARNING** Before playing this game, read the Xbox 360® console instructions, Xbox 360 Kinect™ Sensor manual, and any other peripheral manuals for important safety and health information. Keep all manuals for future reference. For replacement console and accessory manuals, go to [www.xbox.com/support](http://www.xbox.com/support).

## Important Health Warning About Playing Video Games

### Photosensitive Seizures

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people who have no history of seizures or epilepsy may have an undiagnosed condition that can cause these “photosensitive epileptic seizures” while watching video games.

These seizures may have a variety of symptoms, including lightheadedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, or momentary loss of awareness. Seizures may also cause loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects.

**Immediately stop playing and consult a doctor if you experience any of these symptoms.** Parents should watch for or ask their children about the above symptoms—children and teenagers are more likely than adults to experience these seizures. The risk of photosensitive epileptic seizures may be reduced by taking the following precautions: Sit or stand farther from the screen; use a smaller screen; play in a well-lit room; and do not play when you are drowsy or fatigued.

If you or any of your relatives have a history of seizures or epilepsy, consult a doctor before playing.

## Limited Warranty For Your Copy of Xbox Game Software (“Game”) Acquired in the United States or Canada

### Warranty

Microsoft Corporation (“Microsoft”) warrants to you, the original purchaser of the Game, that this Game will perform substantially as described in the accompanying manual for a period of 90 days from the date of first purchase. If you discover a problem with the Game covered by this warranty within the 90-day period, your retailer will repair or replace the Game at its option, free of charge, according to the process identified below. This limited warranty: (a) does not apply if the Game is used in a business or for a commercial purpose; and (b) is void if any difficulties with the Game are related to accident, abuse, virus or misapplication.

### Returns within 90-day period

Warranty claims should be made to your retailer. Return the Game to your retailer along with a copy of the original sales receipt and an explanation of the difficulty you are experiencing with the Game. At its option, the retailer will either repair or replace the Game. Any replacement Game will be warranted for the remainder of the original warranty period or 30 days from receipt, whichever is longer. If for any reason the Game cannot be repaired or replaced, you will be entitled to receive your direct (but no other) damages incurred in reasonable reliance but only up to the amount of the price you paid for the Game. The foregoing (repair, replacement or limited damages) is your exclusive remedy.

### Limitations

This limited warranty is in place of all other express or statutory warranties, conditions or duties and no others of any nature are made or shall be binding on Microsoft, its retailers or suppliers. Any implied warranties applicable to this Game or the media in which it is contained are limited to the 90-day period described above. TO THE FULL EXTENT ALLOWED BY LAW, NEITHER MICROSOFT, ITS RETAILERS OR SUPPLIERS ARE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES ARISING FROM THE POSSESSION, USE OR MALFUNCTION OF THIS GAME. THE FOREGOING APPLIES EVEN IF ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE. Some states/jurisdictions do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages so the above limitations and/or exclusions of liability may not apply to you. This limited warranty gives you specific rights, and you may also have other rights that vary from state/jurisdiction to state/jurisdiction.
